The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, CA 90012

Dear Supervisors:

**STREET LIGHTING DISTRICTS
ANNEXATION AND LEVYING OF ASSESSMENTS FOR
COUNTY LIGHTING MAINTENANCE DISTRICT 10006
AND COUNTY LIGHTING DISTRICT LLA-1,
AND NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES FOR
APPROVED TENTATIVE SUBDIVISION TERRITORIES
SUPERVISORIAL DISTRICT 4
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the enclosed Resolution of Intention to Annex Approved Tentative Subdivision Territories to County Lighting Maintenance District 10006 and County Lighting District LLA-1, and Order the Levying of Assessments within the Annexed Territories, whose areas and boundaries are identified on the attached Appendix A and diagrams, for Fiscal Year 2007-08.
2. Set a date for a public hearing regarding the proposed annexation of approved tentative subdivisions and levying of annual assessments based on the Fiscal Year 2005-06 Annual Engineer's Report, which establishes assessments based on land-use type for all zones within County Lighting District LLA-1 for street lighting purposes, with an annual base assessment rate for a single-family home of \$13 for the Diamond Bar Zone.

3. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of _____. The mailed notice will include assessment ballots.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessments.
2. Determine whether a majority protest against the proposed annexation or assessment exists.
3. If there is no majority protest against the proposed annexation or assessment, adopt the enclosed Resolution Ordering Annexation of Approved Tentative Subdivision Territories to County Lighting Maintenance District 10006 and County Lighting District LLA-1, Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territories for Fiscal Year 2007-08, either as proposed or as modified by your Board, except the annexations and the exchange of property tax revenues shall not become effective unless the legal descriptions for the annexation areas are approved as to definiteness and certainty by the County Assessor and, when legally required, the final subdivision maps are approved and recorded with the Registrar-Recorder of the County of Los Angeles. The adoption of the Resolution Ordering Annexation shall constitute the levying of assessments in Fiscal Year 2007-08.
4. Adopt the enclosed Joint Resolutions between your Board and other taxing agencies, Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of subdivision territories to County Lighting Maintenance District 10006, as approved by nonexempt taxing agencies.
5. Find that the annexation and assessments are for the purposes of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the operation and maintenance of street lights, necessary to maintain service within the proposed annexation areas and exempt from the requirements under the California Environmental Quality Act.

6. Make a finding terminating the annexation, levy of assessments, and property tax transfer proceedings in those approved subdivisions where the proposed annexation and levying of assessments have been rejected as a result of a majority protest and refer the matter back to Public Works.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

These recommended actions are for your Board to annex the approved tentative subdivisions listed in Appendix A into the applicable lighting districts and zones, and to levy assessments on each lot or parcel lying within the proposed annexation territories based on land-use categories that designate usage units on the basis of benefits received. It is also recommended that your Board approve the exchange of property tax revenues among the County of Los Angeles, the City of Diamond Bar, and other nonexempt agencies whose service area is subject to the jurisdictional change.

The City of Diamond Bar Municipal Code requires the installation of a street lighting system by developers. The approval of the proposed annexations, levy of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights in the annexed territories.

Implementation of Strategic Plan Goals

These actions are consistent with the County Strategic Plan Goal of Fiscal Responsibility, as the annexations, levy of assessments, and property tax transfer provides the funding necessary for the operation and maintenance of new street lighting facilities within the annexed territories.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2005-06 budget for County Lighting Maintenance District 10006 to cover the annual energy and maintenance costs of the street lights should operational charges be incurred prior to the end of Fiscal Year 2005-06.

In subsequent fiscal years, the ongoing operation and maintenance costs of the street lights within these annexed territories will be funded by a portion of the Lighting District's share of ad valorem property taxes, supplemented by assessments annually approved by your Board. The proposed annexations will result in a minimal property tax growth

transfer from the affected taxing entities including the County General Fund, County Library, County Fire Department, and the Los Angeles County Flood Control District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning Ordinances as a condition of approval. The Streets and Highways Code (Sections 5821.3 and 22608.2) provides that a territory owned by a subdivider subject to said Ordinance may be annexed to a lighting district, without notice and hearing, or filing of an Engineer's Report. The posting and publishing requirements and filing of an Engineer's Report for these subdivision projects are, therefore, not required.

Yet, under Proposition 218 (California Constitution Article 13D), it is still necessary to follow the procedures for levying of assessments previously authorized by your Board, including the sending, receipt, and tabulation of ballots at a public hearing. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessment.

The Landscaping and Lighting Act of 1972 provides for the assessment of street lighting costs against the benefited properties within County Lighting District LLA-1 by any formula or method that fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each from the improvements. A method of distributing the street lighting costs based on land use was approved by your Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. The same distribution method was used to compute the base assessment rates shown in the Fiscal Year 2005-06 Annual Engineer's Report on file with Public Works.

Section 99.01 of the Revenue and Taxation Code provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by Resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency. If the agency is a city, both the city and County must approve the exchange of property tax revenue.

The Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues approved by the City of Diamond Bar and other nonexempt taxing agencies are enclosed for your consideration.

The City of Diamond Bar has executed Resolutions Granting Consent and Jurisdiction to the County of Los Angeles in the matter of annexation and to the assessments thereof, for the subdivision projects lying within the City of Diamond Bar. These Resolutions are on file with Public Works.

The assessments are subject to the results of ballot tabulation at the conclusion of the public hearing. Failure to annex a territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the street lights as part of the County-administered street lighting districts and will result in the project not being allowed to record or be issued a building permit.

Following the Board's approval of the Resolutions for the annexation and exchange of property tax revenues, and recordation of a final subdivision map and/or approval of the legal description by the County Assessor, Public Works will file the statement of boundary changes with the State Board of Equalization as required by Section 54900 et seq. of the Government Code.

The enclosed Resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the California Environmental Quality Act under Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.
